

## EastMed Moodle Platform

### Student Manual

#### Login Page

You can redirect into the Moodle Platform by visiting the website of the project and click the orange button “MOOC – MOODLE PLATFORM” or by visiting the url: <https://eastmedproject.eu/moodle/>

#### Create a new account

If it is your first time here and you need full access to EastMed MOOC, you first have to create an account. From the Login Page you have to click the “Create new account” button or by visiting the url:

<https://eastmedproject.eu/moodle/login/signup.php>

You have to fill all the necessary fields of the registration form.

Please pay attention that the username has to be in Latin letters and the password must have at least 8 characters, at least 1 digit(s), at least 1 lower case letter(s), at least 1 upper case letter(s), at least 1 non-alphanumeric character(s) such as \*, -, or #. Also you have to pass the *I'm not a robot* test by following the instructions on the pop-up window.

Finally, you can click on the blue “Create my new account” button.

If the submission is successful you will receive immediately a confirmation email with a link that you have to follow in order to activate your account as a student.

Have in mind that if the email does not appear in your inbox, you should check your spam folder.

If you still have problems with the creation of your new account please contact us via email at [contact@eastmedproject.eu](mailto:contact@eastmedproject.eu) and we will help you.

#### Homepage of the platform

The EastMed MOOC offers four available courses-modules:

- 1st Module: “The region of Eastern Mediterranean”
- 2nd Module: “EU-Eastern Mediterranean Relations”
- 3rd Module: “EU Eastern Mediterranean: The Refugee Challenge”
- 4th Module: “Energy Challenges & Developments in the Eastern Mediterranean”

It is mandatory to complete all the Modules that the project offers and receive a passing grade on each one of them.

The screenshot shows the Moodle platform interface. At the top, there is a header with the EastMed logo and the text 'Eastern Mediterranean Regional Training Partnership' and 'Eastmed Project Website'. Below the header, there is a navigation menu on the left with links to Home, Dashboard, Calendar, and Private files. The main content area is titled 'Available courses' and displays four course cards. Each card has a header with the EastMed logo and a title, followed by a brief description and the name of the coordinator. The first card is for the 1st Module: 'The region of Eastern Mediterranean', coordinated by Prof. Tziampiris (UNIP). The second card is for the 2nd Module: 'EU-Eastern Mediterranean Relations', coordinated by Prof. Sharon Pardo (BGU). The third card is for the 3rd Module: 'EU Eastern Mediterranean: The Refugee Challenge', coordinated by Prof. Sara De Vido (UNIVE) and Prof. Ivana Paddan (UNIVE). The fourth card is for the 4th Module: 'Energy Challenges & Developments in the Eastern Mediterranean', coordinated by Dr. Pavlos I. Koktsidis (UCY). On the right side, there is a 'Navigation' menu with links to Home, Dashboard, Site pages, and Courses.

## Access the courses-modules

You can pick the available module that you want to start with by clicking on the title or on the featured picture and then click the blue “Enroll me” button.

You will also receive a confirmation email that welcomes you to the Module that you just enrolled.

## Enrolment options

### Self enrolment (Student)

No enrolment key required.

Enrol me

## Available activities and resources

In order to complete successfully the MOOC you have to use all the available activities and resources that offers.

Each Module is separated in Units and each Unit contains Video Lectures that you should watch, some notes or presentations and bibliographic references.

Also, at the homepage of the platform you can find the OER Library, that is an Open Educational Resources Database with websites, videos and some files to download, related to the modules.

Moreover, you can use the forum and the chat functions that we offer in order to communicate with the other users that participate in the MOOC.

If you have any difficulties about the use of those resources, you can contact us via email at [contact@eastmedproject.eu](mailto:contact@eastmedproject.eu)

## Grading

The course titled "EU and the Eastern Mediterranean: Prospects and Challenges" is graded on a pass or fail basis for students from Israel and Italy and based on the applied grading scale students from Israel and Italy need to receive a 70% percentage scale or higher to each Module in order to pass it, each student can take the exam of each Module only once.

The course titled "EU and the Eastern Mediterranean: Prospects and Challenges" is graded on a 10–0 system (10 is the highest and 0 is the lowest) for students from Cyprus and Greece and based on the applied grading scale students from Greece and Cyprus need to receive a 50% percentage scale or higher to each Module in order to pass it, each student can take the exam of each Module only once.

Registration on the Universities' systems based on the internal procedures of each University respectfully has to be made by students of Ben Gurion University, Ca' Foscari University, University of Cyprus and University of Piraeus in addition to registration to the moodle of the course by the students in order to be able to receive credit for the course based on their performances.

## Tests

By the end of each Module or Unit, you will find a Multiple Choice Test.

**Attention: Only 1 Attempt is allowed**

If you are ready to proceed with the test you can choose it and then click the “Attempt quiz now” button.
